# LEADER OF THE FUTURE EXPERIENCE™

## TOP 4 REASONS YOU SHOULD JOIN:

1

### **You need your organization to keep growing, but...**

...growth is challenging, and it requires a ton of energy. **And as you grow, you want to make sure you can keep the culture and “mojo” that makes your organization special intact as you scale.** *We'll help you upgrade.*

2

### **You'd like your workplace to have even more positive energy.**

In today's world, it's easy to feel stressed and overwhelmed. **But what if everyone could leave work at the end of the day with MORE energy than they had at the beginning?** *We'll show you how.*

3

### **You'd like to see a “strengths-based” mindset throughout the whole organization, but...**

...it's hard to know how to know what exactly to do differently. You don't need another “assessment”—you deserve a more effective and energizing way to work. ***We'll help you move beyond “strength-finding” to sustainably unleashing the best in every single person.***

4

### **You want to build the organization of the future.**

You want to make a lasting positive impact on the world around you, and **you want to build an organization or team that truly brings out the best in people.** The “status quo” way of working isn't going to make that happen, but we'll show you how to thrive in a marketplace of uncertainty and ambiguity.

# HOW DOES THE MASTERMIND SERIES WORK?

This year-long experience builds towards two practical and powerful outcomes—a stronger **Personal Leadership Brand** and a **Team Impact Project**.

**ROI NOTE:** Most leadership development experiences under-serve the "Me" part of the equation, leading to short-term "skill boosts" that are ultimately unsustainable, because the leader wasn't truly **transformed!**

## WHAT'S THE INVESTMENT?

**\$12,000\***  
PER LEADER FOR A FULL YEAR OF SUPPORT

*Similarly-priced leadership development programs only offer a “one-and-done” event. That approach doesn’t reflect how adults truly learn, which is why Leader Of The Future Experience™ offers a transformational “ignition” experience PLUS a year of ongoing practice and support to create changes that LAST.*

**“The Leader Of The Future Experience™ was one of the most powerful leadership experiences I have had. It truly, at its core, provides a roadmap to true and authentic success.”**

*Chief Operating Officer, Behavioral Health Medical Center*

*\*Pay in full up front or in two (2) payments of \$6100. Must be fully paid before attending Bootcamp. Group discounts are available for leadership teams—contact us for details.*
