HELIOS LAUNCH

TOP 3 REASONS WHY YOU SHOULD JOIN US:

1

LEARN A MORE ENERGIZING APPROACH TO WORK

What if your work environment could be drama-free and deeply energizing? What if each person had the ability to do the BEST work of their life almost every day? What if meetings were productive and (gasp) fun? The Helios Approach will show you how to make all this a reality.

2

GET A TOOLKIT TO UPGRADE YOUR DAY-TO-DAY

We don't live in "team off-sites" or in "one-on-one sessions," we live in the day-to-day experience of meetings, random collisions with colleagues, and email (WAY too much email). What if each of these things could be more energizing than draining? The Helios Approach makes this possible.

3

JOIN A COMMUNITY OF PRACTICE, LEARNING, & SUPPORT

Learning how to work in new ways can be very challenging. You deserve to have a group of like-minded work revolutionaries in your corner to practice alongside you, to learn with you, and to offer you ongoing encouragement and support. This is the Helios Tribe.

WHAT'S THE #LOVEWORK™ APP?

#lovework™ is a revolutionary app that provides a **fun and gamified** way for teams to **build world-class psychological safety** and work better together!

“NOW WHAT?”

Assessments can be insightful, but they all suffer from the same fatal flaw: **knowing what to do with the information** after taking them.

The #lovework™ app integrates with Strengthscope® to solve this problem!

1

Automated nudge engine acts as a “coach in your pocket” to focus on what matters.

2

The #lovework™ model provides simple structure for leaders and teams to follow.

3

Social gamification provides positive reinforcement and encouragement.

WHAT'S STRENGTHSCOPE®?

Strengthscope® is a groundbreaking assessment that measures what **energizes** (or drains energy from) each person's **zone of peak performance**.

“5X”

People in a state of energized peak performance say they are FIVE TIMES MORE PRODUCTIVE.*

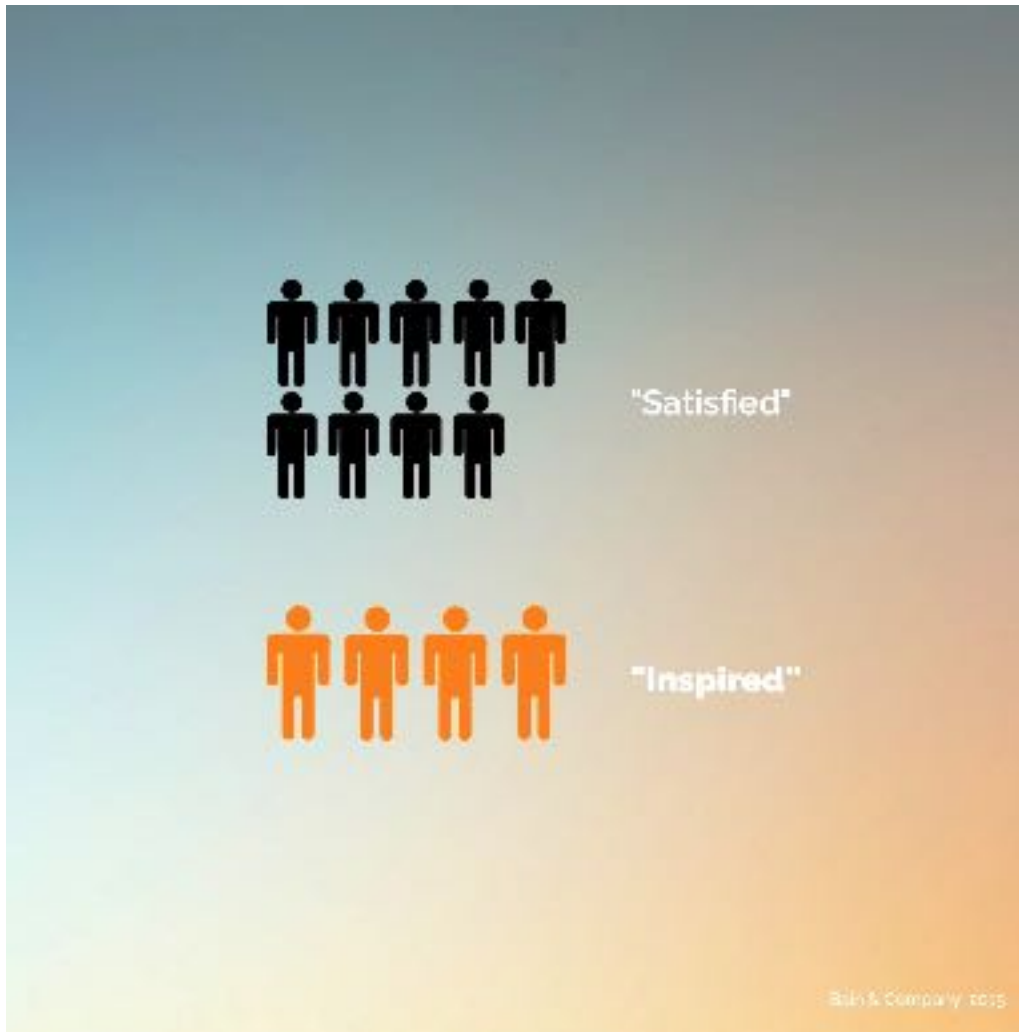

Use Strengthscope® to start new conversations across your organization.

Launch will teach you how to talk differently about:

- ✓ **Performance**
- ✓ **Collaboration**
- ✓ **Stress management**
- ✓ **Burnout**
- ✓ **Allocating work**
- ✓ **...and more!**

WHO CARES?

Organizational leaders who want to reduce **burnout**, boost **retention**, increase **engagement**, and create an astonishingly **great place to work**.

DOES YOUR ORGANIZATION NEED TO DO MORE WITH LESS?

Research shows it would take a team of NINE "satisfied" people to equal the work output of just FOUR "inspired" people.*

Helios Launch teaches you exactly how to turn every person into an inspired person.
